

Cookie Usage Policy

on the website <https://oysterc.com/>

What are cookies?

Cookies are small text files that a website transfers to a browser and that are stored on the user's device when visiting the site. Zhadan A. A., sole proprietor, uses cookies to ensure the proper functioning of the website and to improve user experience.

What are cookies used for?

Ensuring website functionality

Some cookies are necessary for the stable and correct operation of the website and its modules. These cookies are not intended to collect personal information. If such cookies are blocked, the proper functioning of the website cannot be guaranteed.

Data analytics

Cookies are used for statistical analysis of website traffic. Anonymous data is collected using Google Analytics and Yandex.Metrica services. This information helps improve the website's functionality and content. The collected data is anonymized.

Managing cookie settings

Users may refuse the use of cookies by changing their browser settings. Disabling cookies may result in limitations in website functionality or the unavailability of certain features.

Instructions for managing cookies are available on the official pages of the following browsers:

- Yandex Browser
- Google Chrome
- Mozilla Firefox
- Microsoft Edge
- Internet Explorer
- Safari

By continuing to use the website, the user agrees to the use of cookies.
